Vision, Mission, Quality Policy, Philosophy & Core Values

Vision

An institute of excellence providing cutting edge technologies to produce industry ready professionals.

Mission

- **To promote holistic excellence in the new generation of students according to the National Education Policy.**
- **To facilitate a conducive research ambience and establishing innovation ecosystem.**
- **To maintain honesty and integrity in multidisciplinary areas of new edge technologies in collaboration with industries.**

Quality Policy

Our policy is to nurture and build diligent and dedicated community of engineers professional providing a professional and unbiased environment, thus justifying the purpose of teaching and satisfying the stakeholders. A team of well qualified and experienced professionals ensure quality education with its practical application in all areas of the Institute.

Philosophy

The essence of learning lies in pursuing the truth that liberates one from the darkness of ignorance and GITAM firmly believes that education is for liberation. Contained therein is the notion that engineering professional education that plays a pivotal role in the development of world-wide community contributing to the progress of civilization. This institute, adhering to the above understanding, is committed to the development of science and technology in congruence with the natural environs. It lays great emphasis on intensive research and education that blends professional skills and high moral standards with a sense of individuality and humanity. We thus promote ties with local communities and encourage transnational interactions in order to be socially accountable. This accelerates the process of transfiguring the students into complete human beings making the learning process relevant to life, instilling in them a sense of courtesy and responsibility.

Core Values

Excellence: All activities are conducted according to the AICTE standards

Integrity: Adheres to the principles of honesty, trustworthiness, reliability, transparency and accountability.

Inclusiveness: To show respect for ethics, cultural and religious diversity and freedom of thought.

Social Responsibility: Promotes community engagement, environmental sustainability, and global citizenship. It also promotes awareness of, and support for, the needs and challenges of the local and global communities.

Innovation: Supports creative activities that approach challenges and issues from multiple perspectives in order to find solutions and advance knowledge.
