## TRAINING AND PLACEMENT CELL

### **Objective:**

The objective of the Training and Placement Cell of GITAM is to enhance students' employability and career prospects by providing skill development training, organizing industry-oriented workshops, facilitating internships, coordinating campus recruitment drives, offering career guidance and counseling services, and fostering collaboration with industries to ensure alignment between academic curriculum and industry requirements. Ultimately, the aim is to empower students with the necessary skills and opportunities for successful transitions into the workforce.

### **Responsibility of Training and Placement Cell:**

1. Placement Rate: Achieving a high percentage of students placed in reputed companies through campus placements or off-campus drives.
2. Internship Opportunities: Facilitating a diverse range of internship opportunities for students to gain practical experience in their respective fields as per University curriculum.
3. Skill Development: Conducting training programs and workshops to enhance students' technical, communication, and soft skills, thereby improving their employability.
4. Industry Engagement: Strengthening relationships with industry partners to increase the number of companies participating in campus recruitment drives and internship programs.
5. Alumni Relations: Leveraging alumni networks to create internship and job opportunities for current students and gather feedback to enhance placement strategies.
6. Career Guidance: Providing personalized career counseling and guidance sessions to assist students in making informed decisions regarding their career paths and job search strategies.
