ENTREPRENEURSHIP CELL

Objective:

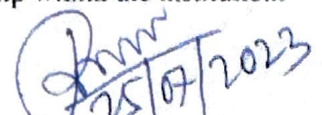

The objective of the Entrepreneurship Cell of GITAM is to inspire, nurture, and support entrepreneurial spirit among students by providing them with resources, mentorship, and opportunities to develop innovative ideas, start ventures, and succeed in the entrepreneurial ecosystem. Through various programs, workshops, networking events, and incubation support, the cell aims to empower students to become job creators rather than job seekers, fostering a culture of innovation, creativity, and leadership within the institution while contributing to economic growth and societal development.

Members:-

| SN | NAME | DESIGNATION | BRANCH | POSITION |
|----|------------------------------------|-------------|--------|----------|
| 01 | Mr. Avijit Nayak | Asst. Prof | Mech | Convener |
| 02 | Miss. Rajaswini Mishra | Asst. Prof | MBA | Member |

| 05 | Mr. Ashish Mallick | Asst. Prof | EE | Member |
| 06 | Mr. Prsanjit Das | Asst. Prof | CSE | Member |
| 07 | Mrs. Smitashree Swain | Asst. Prof | EE | Member |

Responsibility of entrepreneurship cell:

1. Entrepreneurship Awareness: Organizing workshops, seminars, and events to raise awareness about entrepreneurship, startup culture, and opportunities among students.
2. Skill Development: Providing training and mentorship programs to develop entrepreneurial skills such as idea generation, business planning, market research, and pitching.
3. Startup Incubation: Facilitating the incubation and support of student-led startups by providing access to resources, infrastructure, funding, and networking opportunities.
4. Industry Collaboration: Establishing partnerships with industry, investors, incubators, accelerators, and different Government agencies to create pathways for students to connect with mentors, investors, and potential collaborators.
5. Startup Success: Tracking and supporting the progress and success of student startups, including their growth, revenue generation, and market impact.
6. Alumni Engagement: Engaging alumni entrepreneurs to share their experiences, insights, and networks with current students, fostering a community of entrepreneurship within the institution.
